Dear competitors, esteemed teachers, accompanists, parents, and visitors,

Welcome to Carinthia, where this year we are once again writing a new chapter of the International Music Competition BOLERO together. Every year, we are inspired by the number of young musicians who are willing to share their dedication, countless hours of practice, and love for music with both the audience and the professional jury. This year, the competition has welcomed as many as 485 participants from eleven countries – Slovenia, Croatia, Serbia, Austria, Germany, Hungary, Italy, Poland, Turkey, Ukraine, and India. This international connection is both a great recognition and a responsibility for us to create an environment in which every individual feels welcomed, heard, and respected.

A music competition is more than just evaluation – it is a place for connection, inspiration, and personal growth. It gives young artists the opportunity to share their creativity and express themselves through music, making every performance valuable regardless of the result.

The competition gains special value through the people who stand beside young musicians. Teachers, with your knowledge and dedication, you guide new generations of artists and teach them discipline, perseverance, and responsibility. Accompanists, through your musicality and support, you play an essential role in shaping every performance. And parents, you are often the quiet companions through countless rehearsals, journeys, sacrifices, and words of encouragement – our sincere thanks to you as well.

It is a great honor for us that the performances will be evaluated by distinguished national and international musicians and pedagogues, whose expertise and experience significantly contribute to the high artistic standard of the competition. Their role is not only to evaluate, but also to encourage young talents on their artistic journey.

On this occasion, we would also like to sincerely thank the Municipality of Muta, our partners, supporters, and all collaborators whose help makes this competition possible and who believe in the importance of music education.

Dear young musicians – may your performances bring you pride, new experiences, and inspiration for the future. May the stage become a place where you can show your sincerity, courage, and love for music.

I wish you a pleasant stay in Carinthia and many beautiful and unforgettable moments at the 6th International Music Competition BOLERO.

With respect,

**Andraž Likar**

**Head of the Competition**

The vision and dedication of the organizer, Glasbena šola Muta, have over the years been reflected in the high-quality realization of the competition and in the creation of a stimulating environment for young musicians. The competition gives young performers the opportunity to present their knowledge, musical creativity, and devotion to the art, while also gaining valuable experience for their future musical paths. Bringing together young musicians from different countries significantly contributes to the vibrant development of musical culture and the arts.

Over the past few years, the BOLERO Competition has also become a recognizable spring tradition among the local community. The event brings a special cultural energy to our town, connects people, and enriches the cultural life of our municipality. This proves that the competition has grown beyond the framework of merely a musical event and has become an important part of our town's identity, placing it on the map of significant international cultural events and contributing to the recognition of the Municipality of Muta at both the national and international levels.

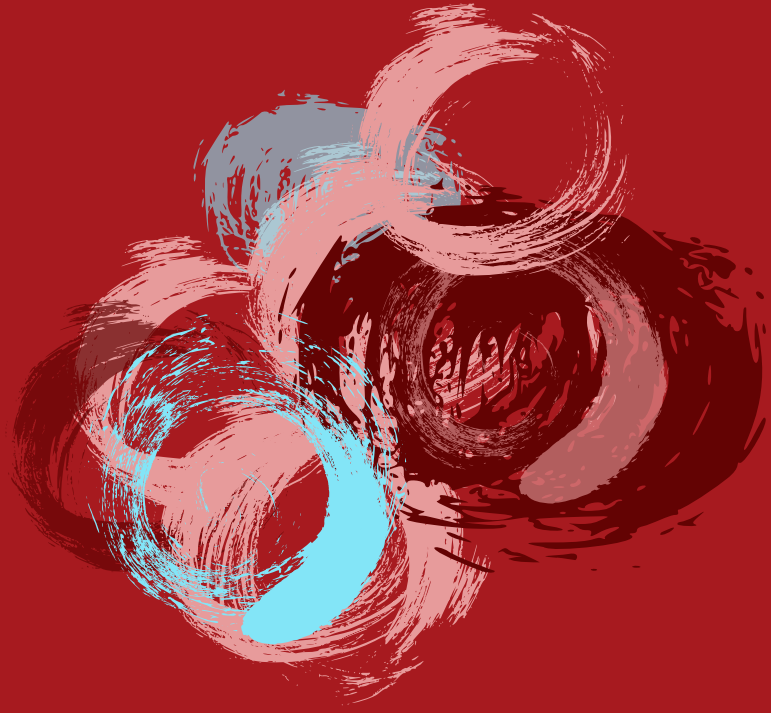

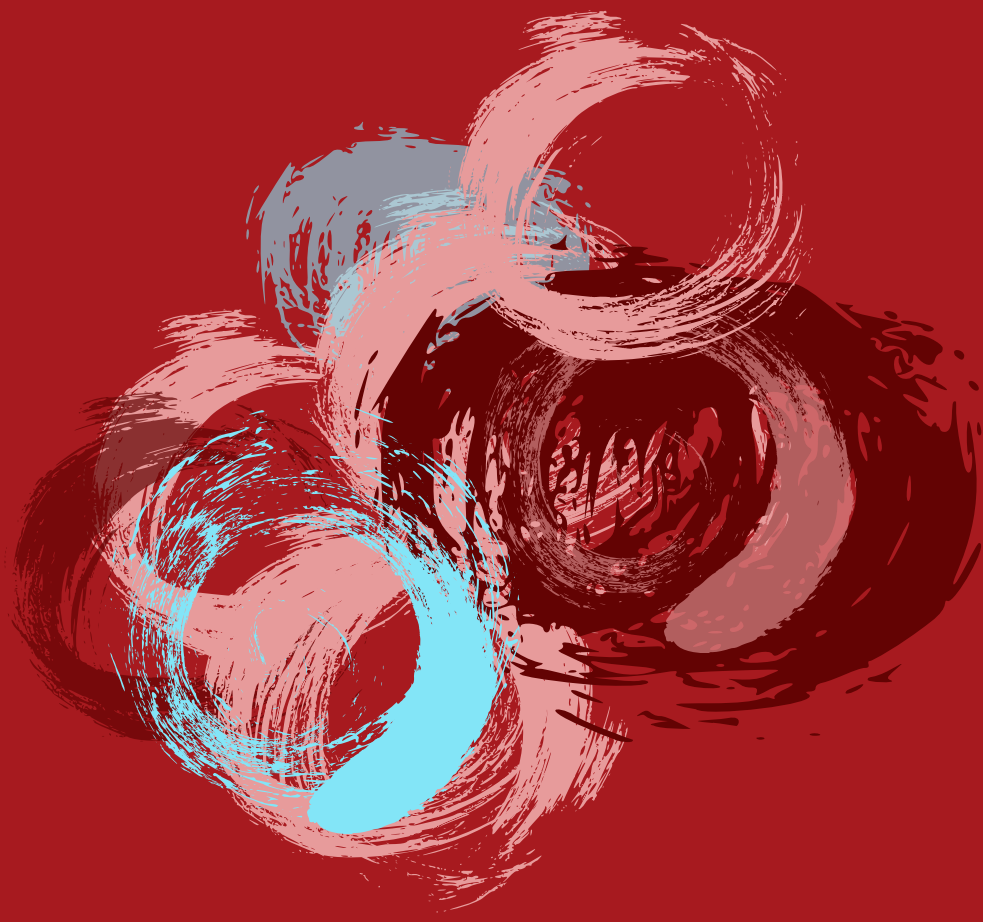

I am aware that a great deal of work, effort, and dedication has been invested in the organization and realization of this competition. From the initial idea years ago until today, the competition has become an example of excellent organization and professional execution.
